

**PUBLIC.** | the family is due the full  
| what claims shall be

"What pictures looked like," he said.

"Remember," says the circular, "that under the payable until the claim is paid." If the father at the Kansas agency claims, nothing on the outside gets long soon as the son has been, or whether his father's all or not, does either's use or shun of his office.

Nothing under the lateralization has been on the peaceful than is the me family affair of a p Louisiana Republic.

**A DAY IN CO**

**The Great Republicans**  
**Scorpe Haters**

In the House yesterday appropriating \$200,000, for building at Coyoteville. They by a member from Pe thought that a "city" sets, six saloons, one and ten dwellings about \$200,000 public building, and a school. He denied such a boon. The Dakota said that if the 10,000 people in Pean a \$200,000 public building section on the entire

of the member from the bill was reduced to \$125. This bill granting a month to the civil war the first battle of Bull Run, was the only one that passed in the Senate. It was considered from the "South" North opposed the bill on the the statesmen and others not accompanied the defeat would not have further discussion the bill. The bill appropriating public building in Grass passed.

A bill granting \$50

Bat this time, the methods, or corroborative words, are pulpulations of the sacred Under-thing. He aims to bring the rough investigation such they did like other journals make to be "a burn that Mr.

Widow of a drafted man injured while making a charge against a member from Colorado. A bill asking for an \$500,000 for a public bat Centre. Wild Cat had only 150 inhabitants thought it would have by the time it got the priation.

After passing sixty-four bills the House adjourned. The Senate, the Honing pensions to old men their single-blessed number of young men war, was passed,

A full appropriation of public building in 1902 was read. It was explained that at present costs a wheelwright shop and it was argued that building would and would be a waste of money and grow up. The bill was passed. The bill appropriated public building in 1902 was passed.

After passing one bill, private pension bills were joined.—Clark.

 down.

angels through life's chariot wheels,  
 and bore Him in His throne,  
 and accept their golden harps and song

...er? I have seen it; multitudes have seen it. You have. If you have been unable to see it, Deride not the faithfulness. Because imposters attempt to be using against good men whom God hath honored with marvelous restoration. Pronounce nothing impossible to prayer and trust. Because you, and I, do not effect it is no reason why others may not. By the same argument I could say that Raphael never painted a Madonna, and that Mendelssohn never wrote an oratorio, and that Pindar never chiefted a statue; because we cannot accomplish it ourselves.

that a man brings himself to be  
aped in character and life by those in-  
fluences. Not he who has had best op-  
portunities of learning, or of being  
rightly influenced, but he who has been  
most active and persistent in making  
available to others the good which has  
come to him. Is the man who is the  
best gainer from instruction and in-  
fluence. Not only is it more blessed to  
give than to receive, but there is no  
measure of receiving as by giving.  
Some in mind and character is meas-  
ured by outgiving; and that which is im-  
puted is the measure of that which is  
given. — W. T. Twiss.
